**NOTE: Please ensure these details are written clearly and accurately. In the event that the details are incorrect or not returned to O&P Recruitment by the Friday of the week you are working, your wage cannot be processed on the Monday following and will have to wait to be processed on the Monday of the week after. Once wages are processed by O+P Recruitment, monies should be available in your account within a 48 hour period (this is dependent on your bank's processing time). You should be aware that your hourly rate includes a loading for holiday and sick pay, and that you are only paid for actual hours worked.**
